1934 Morris Minor GPO Van

First registered in 1938, this van is believed to have done duty as a Post Office van and is presented much as it would have been 70 years ago in very good condition. Based on the Morris Minor car (1929-34), these vans were custom built for the Royal Mail. The van is running well with a current MOT and is ready to use or take to shows. Some spares available.
