1951 Sunbeam Talbot 90 MkII

With much rallying success behind it, the Sunbeam Talbot of the nineteen fifties was a truly sporting saloon. Its 2267c.c. engine linked to a 4 speed gearbox gave close to 100 m.p.h. performance and the independent front suspension provided good handling. This particular car seems very clean and tidy both in bodywork and underneath. The leather interior appears original. There is a good history file with the car and a few trophies from earlier days. Ready to enjoy.
