**History:** Delightful splitscreen in black with red leather interior, bodywork and paint are excellent, interior is lovely and probably largely original, chrome is very good, restored some 20 years ago (a few photos on file), has been upgraded to more robust 948 cc A series engine, gearbox has also been replaced. Starts easily, drives very well, engine is very sweet, stops well, had a recent service. Has been re-wired, SU fuel pump, stainless exhaust, front and rear seat belts, heated rear window, battery, alternator and wiper motor all added or replaced, tyres are good too. Comes with V5, large history file, spare key, Heritage Certificate, handbook and manual. A charmer.
