History: Very rare Metro convertible, only around 400 registered in UK and a few more went overseas, in excellent timewarp condition with great body and paint, very good hood and interior. 1.4 litre K-Series engine gives plenty of poke, new cambelt fitted, 5 speed box enables better than 40 mpg to be obtained. Lots of old MOT's supports very low mileage – just under 30,000 from new, electric hood works well and is easy to operate. Comes with history, hood cover, Rover Metro booklet pack and an MOT. A very rare car that is useable and fun. Viewing by appointment please. Tel: 07711 509600 or 07768 630969
